n: i guess i would argue that it's not the extreme cases, it's the little cases..

it is appropriate for the physician, nurse practitioner, or physician assistant to order a private room where family can be present continuously and be undisturbed with the patient if they so choose.

drive all the way up to the trailhead and park

our positive stance is based on the cystic fibrosis franchise as this is a lucrative market with little competition.

not a grand adventure, but it worked
